Career Opportunity Available At Iowa's Largest Community Mental Health Center

Vera French Community Mental Health Center sees about 10,000 clients annually. Our full business office and credentialing staff ensure that ARNP's are able to concentrate on what they do best – helping others. We are a Trauma Informed Care agency and later this summer we will be moving to a multi-occurring agency. Currently, we have over 210 employees which includes 3 doctors, 2 psychologists, 7 ARNP's and 30 therapists (LMHC/LMSW/LISW). Due to patient need, we are looking to add to our professional staff.

We offer our clients a variety of programs including Supported Community Living, Integrated Health Home, Carol Center Outreach and our Residential Facilities. We have recently taken over services at Rick's House of Hope which focuses largely on children who are experiencing grief or trauma. We would welcome the opportunity to have you join the Vera French team.
